Company Profile

Hardware Products for Centuries

Today at this instance of presenting this catalogue 'SAURASHTRA BRASS FACTORY' thanks to The Allah (the almighty), to bless us with this pleasuring moment to share with our near & dear ones. It was established in 1968 with a small unit to manufacture Brass Hardware Fittings. Owing to the rising demand and increasing range of products & with lifetime experience in this field & improving on infrastructure today 'SAURASHTRA BRASS FACTORY' has set its footprints all over India and stands committed as a major player in manufacturing and supplying Brass Hardware and Furniture Fittings with it's registered brand

We have increased our capacity by installing latest machineries & testing equipments, skilled workers for better workmanship, & technical persons for inspection from 1st to final stage of despatch and focused our concentration on core trade policies like,

BEST QUALITY PRODUCTS | IN-TIME DELIVERY | VALUE FOR MONEY

We strongly believe that supply of products meeting quality requirements is the only key to survival as well as progress of the company and hence, we are committed to achieve and maintain world class quality consistently with non-ending activity of Innovation & R&D at regular interval. Hence, we are confident enough that we can cater the world over almost all requirements of Brass Hardware and Furniture Fittings.

At this happy instance, we would take this opportunity to express our sincere gratitude to all our supporters, stockist, dealers, and well-wishers.
